State Survey Of Coastline Unit Is Asked

Edgemar Project Also Wins Board's Aid Here Today

Immediate survey by the state highway engineers of the best route down the San Mateo county coastline for the proposed Ocean Shore highway was requested today by the board of supervisors.

The board also approved construction of a road from Thornton station on the Skyline boulevard to Edgemar to give relief to the coastline pending the eventual completion of the Ocean Shore highway.

The Ocean Shore survey, to cost \$9000, will be financed by the counties of San Mateo, San Francisco and Santa Cruz. The local board, on motion of Supervisor Manuel Francis, Half Moon Bay, urged the San Francisco supervisors to assist in obtaining the state survey as early as possible.

Francis called the board's attention to the recent favorable report by Attorney General U. S. Webb giving the district power to undertake new condemnation proceedings to secure necessary rights of way.

EDGEMAR PROJECT

George O. Rich presented a resolution to the board for the Edgemar project. It states that the present route from Colma to Edgemar over the skyline boulevard is "foggy and hazardous" and discourages visitors to the coastline recreational areas.

Rich informed the board that the Thornton station to Edgemar road "has been surveyed by the state and most of the rights of way have been secured." This stretch, he said, will not be subject to fog.

The board, upon motion of Supervisor Albert Witt, Colma, seconded by Supervisor Francis, adopted the resolution.

\$12,500 TRANSFERRED

Upon demand of Supervisor Witt, the board transferred \$12,500 from the road department to the Daly City "bottleneck" widening.

Witt explained that this fund had been promised by the city but oversight it had not been "earmarked."

The supervisor pledged himself to reimburse the road department from the unbudgeted reserve fund when Engineer James S. James says the funds are needed.

GARBAGE QUESTION

J. P. Holland, president of a San Francisco firm which once had the contract for dumping the wet garbage at Visitation Valley, urged the board to support his appeal that he be permitted to demonstrate how garbage may be disposed of so that it will not meet with objection.

Holland also informed the local board that San Francisco has need of its garbage in reclaiming certain potential industrial lands. He urged that the board keep these matters in mind when San Francisco seeks a permit for dumping at Mills Field.

OTHER MATTERS

Henry Faustlich, 30, of North Fair Oaks, applied for a position as traffic officer. Peninsula Foothill Land Company to the county for part of the La Honda road right of way, to cost \$521, was filed.

NIGHT CLUBS WILL BE RADIO TOPIC

"Night Clubs—East and West," will be the topic of Friday morning's Menu Flashes program (Golden State Co., Ltd.) when Jean Andrews interviews Harriet De Goff on KPO at 10 o'clock.

A recent arrival from New York and now headlining the show at one of San Francisco's popular night rendezvous, Miss De Goff has found San Francisco's entertainment much like that of Broadway.

She'll tell of the "show" the performers see in the audience, which they find just as interesting as the one they play in.

Drifting Pair Rescued After 3 Hours in Bay

BURLINGAME, Dec. 24.—After drifting in the bay for three hours, Delmar Phillips, 35, and N. L. Turner, 32, both of San Francisco, were rescued late yesterday by A. R. Wild of Mills Field.

The pair, whose outboard motor stalled on them as they were returning home after an excursion down to Peninsula Beach, had been sighted by someone on shore who telephoned to Mills Field where Wild put out in his speedboat to save the pair.

M. P. MAN KILLED IN GRADE PLUNGE

Dan O'Leary Is Victim As Car Leaves Road Near La Honda

When the light delivery truck in which he was riding with his brother-in-law failed to negotiate a turn and plunged off the La Honda grade Monday at 7:20 o'clock Dan O'Leary, 53, of Menlo Park, was instantly killed. The driver of the truck, J. D. Rapley, 32, who has a ranch on the King's Mountain road, suffered bruises, but was apparently not seriously injured.

The truck tumbled approximately 70 feet down the grade, according to State Officers W. J. Riley and C. J. Lee, who were called to investigate the accident. Rapley, who employed O'Leary on his ranch, was thrown against a rock and seriously jarred, but not otherwise injured.

O'Leary was the son of Mrs. Mary and the late Timothy O'Leary of Atherton; brother of William and Timothy O'Leary, of Alaska; Michael O'Leary, Felton; Arthur and Katherine O'Leary, Atherton; Romuald O'Leary, Menlo Heights; Mrs. E. P. Short, Palo Alto, and Mrs. J. D. Rapley, Menlo Park.

The body is being held at the Layng and Tinney Funeral Home here pending funeral arrangements, which have not as yet been announced.

FIVE HURT IN CRASH

Five people were injured early on Tuesday in a collision on Junipero Serra boulevard, near the San Pedro intersection, in the northern part of the county.

Dr. A. E. Larsen, 33, Russ building, San Francisco, driver of one of the cars, suffered a leg fracture. Frank Gualco, 21, San Francisco, driver of the other car, suffered an arm fracture. Larsen is at Villa Sanitarium, Colma, and Gualco at South San Francisco hospital.

Others injured were Mrs. H. H. Larsen, 60, Dr. Larsen's mother; William Lucas, 23; Miss Lola Summers, 30; and Miss Mattie Campbell, all of San Francisco.

BANDIT HOLDS UP NEW CAFE HERE

\$35 Secured By Youth From Ex-Officer's Restaurant

A young bandit who evidently has no respect for persons at 12:25 a. m. Monday held up the new restaurant and beverage store belonging to H. J. Fitzgerald, former police officer who retired recently from the force to open the new cafe at Main street and Middlefield road.

About \$35 was secured by the youth, who held the attendant, Rudy Weidback, at bay with a small revolver while rifling the cash register.

According to Weidback's report to the police, the holdup man parked his automobile on the left side of the street, walked in the front door of the store and behind the counter, flashed the gun and told Weidback to open the cash register. The bandit then proceeded to help himself, backed out of the store, got into his small grey roadster and drove south on Main street.

Weidback immediately telephoned the local police department, which, through Palo Alto, sent out a radio broadcast at once and also informed Burlingame and San Mateo officers to watch for the holdup man, but he could not be found. The bandit was described as being "husky," about 5 feet 7 inches tall, about 21 years of age, and having dark hair and eyes and a swarthy complexion. The roadster he was driving had a light duck top.

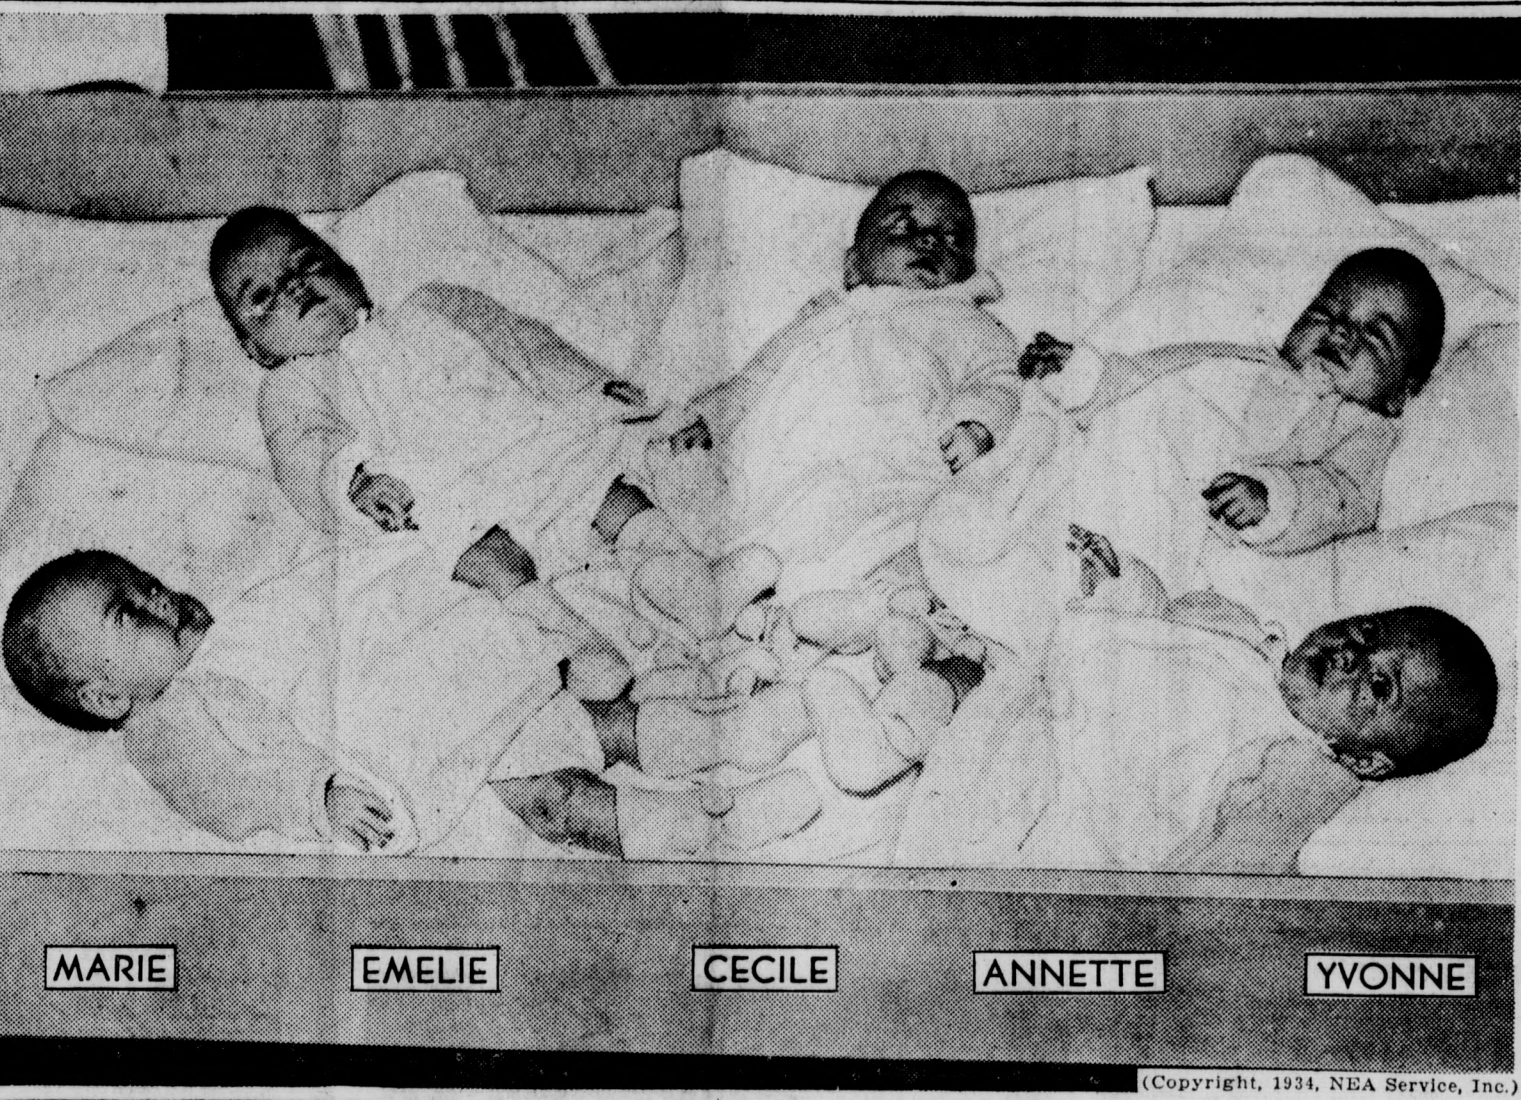

Yule Season Boosts Sale of Wines 100%

SACRAMENTO, Dec. 25.—California wine sales showed a marked increase for the holiday season, according to tax figures announced here today by R. E. Collins of Redding, chairman of the state board of equalization.

Out of a total tax of \$117,230.08, computed on November beer and wine sales at 2 cents per gallon, \$33,387.25 represents taxes on wine. "Only a few months ago," said Collins, "sales of wine were responsible for less than 14 per cent of the total beverage tax. Consequently, as compared with the taxes paid on wine for these months, the levy made for November means more than a one hundred per cent gain."

"Preference for California wines is established from our tax records. Out of a total gallonage of 1,669,362.5 assessed last month, all but 36,604 gallons were California vintage."

The Quintuplets Take Their Ease in 'The Rat's Nest'

The Dionne quintuplets having outgrown their cribs, something had to be done about it. So a carpenter built the community crib shown here, in which for several hours each day the famed babies kick their heels in artificial sunlight and generally take their ease. Nurses and other attendants in the quintuplets' hospital at Corbell, Ont., call it "The Rat's Nest."

COURT BARS VOTE ON CITIES MERGER

Consolidation Effort In Alameda County Denied Test

Alameda county voters were denied the right by an order of the state supreme court yesterday to vote upon the question of consolidating the various city governing bodies of the Eastbay with that of the county. The proposal is similar to that now under study in San Mateo county.

The court issued a peremptory writ of mandate permanently enjoining the county supervisors from calling such an election.

"To permit the new charter process to go forward, would," said the court, "if carried to completion, be tantamount to a surrender and annulment of the present county charter in a way not authorized by the constitution."

In support of the consolidation movement, 24,000 Alameda county taxpayers recently signed a petition calling for a special election.

William C. Wallace, another taxpayer, sued to prevent the election, alleging it was too costly and unconstitutional.

Ankle Is Broken As Horse Throws Wife of McNutt

Mrs. Ella McNutt, wife of Superior Judge Maxwell McNutt, was in St. Luke's Hospital in San Francisco today with a broken ankle, suffered Sunday when she was thrown from her horse.

Judge McNutt and his wife are both horse enthusiasts. The judge, who is president of the state rodeo association and who has acted as judge at numerous shows and rodeos, is the owner of a big red cowhorse; his wife has been anxious to ride. Yesterday he yielded.

On a hilly road back of Belle Mont the horse threw Mrs. McNutt. As she fell, her left ankle snapped.

Despite her injury, her first thought was of the valuable horse. She directed the judge to find the animal, which had wandered off. Then she permitted herself to be cared for. An ambulance was summoned and took her to the hospital, where she was attended by Drs. Alan Benner and Alanson Weeks.

November Gas Taxes Decrease \$664,000.00

SACRAMENTO, Dec. 25.—After the October break in the decline of California gasoline tax revenues, the November tax is reported at \$3,227,105.78, marking a decrease of \$664,597.39 as compared with the tax for the same month of last year. This is a loss of 17.07 per cent in contrast with the gain of 7.5 per cent shown for October.

YULE BABE COMES IN HASTE POLICE RADIO BRINGS ASSISTANCE OFFICER SERVES AS 'MIDWIFE'

"... And they came with haste, and found both Mary and Joseph and the Babe." (Luke 2:16).

Thus occurred a Christmas birth centuries ago, and thus a birth was recorded on Christmas Day of 1934.

The Mary is Mrs. Mary Garby of Menlo Park, and the Joseph is her husband, Joseph Garby.

And some of the events of that extraordinary Christmas Eve of Bethlehem were again enacted in the early hours before Christmas dawn.

Mrs. Garby gave birth to a girl at 2 a. m. Tuesday at her home, 671 Live Oak avenue, with Police Officer Thomas Kearney of Menlo Park acting as "midwife."

The Garbys are deaf mutes and the arrival of the stork at that hour of Christmas morn complicated the situation and necessitated the call to Menlo Park police. The only other occupant of the house was the grandmother, who speaks only Spanish.

Officer Kearney was on night patrol duty in Menlo Park at 1:30 a. m. when he received a radio broadcast to speed at once to the Garby cottage and take Mrs. Garby to the Community Hospital.

The policeman found things already advanced to the point where it was not safe to risk the trip to the hospital. So he performed the ordinary duties of the midwife.

The officer, the father and the grandmother exchanged written notes during the progress of the birth.

With the arrival of a dimpled, 7-pound, 11-ounce baby, Officer Kearney rushed the Garbys to the Community Hospital, where attendants reported everyone well and happy.

Garby is a feed and fuel worker at Palo Alto. The family has resided in Menlo Park for the past 10 years, and the Garbys have three other children.

PRISONERS HERE WIN YULE PAROLE

Hit-Run Suspect Also Released to Spend Time at Home

Four Christmas paroles and a 10-day sentence made retroactive by the judge Monday meant that five of San Mateo county's prisoners would not have to spend the holiday "on the inside looking out."

Clarence Auerswald, 29, of Palo Alto, who was accused of running into two parked cars near the Veterans' hospital there, and then speeding away from the scene of the accident, was today sentenced to 10 days in jail by Superior Judge Franklin Swart. Auerswald had already served 10 days while awaiting trial, so the jurist ordered him freed.

Paroles were granted to Joseph Barelli, 19; Guerino Bandero, 19; Robert Griever, 39, and John Scannell, 34.

SAN MATEO BURGLARS
Barelli and Bandero, both of whom gave their occupations as butchers, were arrested in San Mateo for burglary. They had been sentenced July 23 to serve six months in jail.

Griever, a caddy, was serving a six-month sentence on a vagrancy charge. He was committed to the local jail September 6.

Scannell, a steam fitter, had served two months and 14 days of a six-month sentence on a charge of petty theft.

The parole board who released the prisoners was composed of Sheriff James J. McGrath, District Attorney Edmund Scott, Chief of Police C. L. Collins of Redwood City and the committing magistrate in each case.

Release of the five lessened the total number of prisoners who would probably spend Christmas in the jail to 12.

Two Hurt in Train Mishap at San Jose

Scores of passengers on the Southern Pacific Daylight Limited narrowly escaped injury, and two men were hurt when an air hose between two cars broke and the couplings pulled apart.

Automatic airbrakes halted the train suddenly and catapulted the two men, who were standing on the platform of the observation car, to the tracks. They were treated in San Jose Hospital.

The men were Arthur G. Bergman, 34, and D. A. Poncia, 35, employees of the Bank of America at Salinas on their way to San Francisco for Christmas eve.

Those present at today's meeting were Supervisor-elect Fred Bear; Engineer James Hud Pomeroy, planning commission advisor; Ronald Campbell, planning commissioner; technician; County Clerk E. B. Hinman; David B. Bohannon; Philip R. Thomson and C. H. Judson, who lives in Palo Alto, has been selected as northern Santa Clara county representative on the steering committee.

GIFT STOCKS DEPLETED IN MANY LINES AS LATE SHOPPERS RUSH STORES

Christmas buying in Redwood City was definitely better than last year, in some cases as much as 30 per cent better, local merchants reported. Gift stocks searched, in many cases through depleted stocks, for that overlooked gift.

Windows in some stores were almost bare, as clerks in a last effort to satisfy shoppers' needs stripped the display from the show places.

And as the shoppers, bundle laden, rushed homeward, tired clerks and exhausted store managers and employees, happy in the thought that increased business would mean increased profits, bade each other "Merry Christmas" and called it a successful yule season.

DIFFERENT ATTITUDE NOTED
A difference was noted in the attitude of shoppers this year, many of the merchants reported. While so-called "staple" or practical merchandise was the biggest seller in nearly all cases, money seemed to be freer, and when it came to buying for the children, nearly always only the best was wanted.

"Our cheap tricycles and wagons are still on the shelves, as you can see for yourself, but the better ones were gone several days ago," one department store manager reported.

"People still aren't buying the gaudy, useless things that show off well but aren't of much practical use, but they are searching for quality, and are willing to pay pretty good prices," he said.

Exact figures for Christmas shopping, of course, were lacking in all stores, but most of the proprietors or managers seemed to know just about how sales were running, as compared with last year. No one believed he had less than a 20 per cent gain, while "at least a third better" was reported by some merchants. Higher prices were held partly responsible for the gains, but freer spending, it was agreed, was the main cause.

ALL STORES AGREE
Jewelry stores, hardware stores,

toy stores, clothing stores, gift stores, food stores—all agreed they had had a successful holiday trade.

And as for the "old reliable" business of business, Uncle Sam's postoffice, Robert E. O'Connell Jr., postmaster, was enthusiastic over the showing made in the local office this month.

A gain of possibly 20 per cent, certainly 15 per cent, will be made in receipts for the month, he said. For the quarter, receipts are expected to be nearly a fourth better than they were last year. November having been an especially good month.

P. O. USES EXTRA MEN
As usual a number of extra men were employed to handle the holiday mail. This year 25 extras were pressed into service. The result was prompt delivery of mail, two deliveries being made Sunday and three yesterday. The consequence was that last night a trip through the postoffice revealed that there were only a few scattered packages undelivered—they had come in since the last delivery—and only a few letters in the pigeon holes used by the carriers to sort the mail.

"There is far less mail left over than we usually have each night," O'Connell said.

Only special delivery packages and letters were to be delivered today, the postal employees enjoying Christmas along with the merchants whose stores were closed.

The kinkajou, or "teddy bear," belongs to the raccoon family and makes an excellent pet.

Dead oil wells in limestone regions are being revived and low-producing wells caused to increase their flow, by pouring of volumes of acid into depth of the earth. The acid cuts out new channels for the petroleum.

Motor vehicles consume an average of 28 gallons of gasoline to each gallon of lubricating oil.

Figures show that the average motorist paid \$17.31 in special motor taxes in 1933, a three dollar increase over 1932.

Pedestrian Sues After Being Hit By Machine Here

Damages of \$10,150 were sought in an action filed in superior court here yesterday afternoon by Philip Weiner against Paul Offenhiser, as the result of an accident here September 17.

Weiner in the complaint says that he was walking on the sidewalk on El Camino Real near Nottingham street in Redwood City when the car driven by Offenhiser jumped the curb and struck Weiner. He alleges that injuries which he suffered are of a permanent nature.

The law firm of Morrissey and Dematteis is representing the plaintiff in the suit.

LONDON, Dec. 26 (UP)—The possibility of further discussions of naval and political problems by American and Japanese delegates to the defunct London naval conference was seen today in the announcement that Japanese Ambassador-at-Large Yoshida and American Ambassador Norman Davis will leave for the United States Friday on the same steamer.

Although officials denied there was any significance to the joint voyage, it was believed that the trip would offer an opportunity for further, and perhaps important, discussion on the high seas.

Christmas Tree Contest Is Still Open For Entries

Decorated outdoor living Christmas trees can still be entered in the Lions Club contest, it was pointed out last night as final plans were made by the club at its meeting here for the judging of the trees tomorrow.

People who wish to enter their trees can do so by telephoning

Children's Colds
Yield quicker to double action of
VICKS
VAPORUB
STAINLESS now, if you prefer

The Tribune, Redwood 2000, or by calling at the office before noon tomorrow. More entries are wanted by the club, it was stated, and the arrangement was made with The Tribune in the hope that more would come in.

Five \$2.50 prizes are to be awarded by the Lions. Two of them will go to the best trees over six feet tall; two to the best trees, less than six feet tall, and one to the best decorated shrubbery and doorway illumination.

Judges, who will begin their work at 8 p. m. tomorrow, are Thomas W. Cutting, past president of the Lions Club; Daniel R. Stafford, former Redwood City mayor, and E. A. Rolison, city manager. They will be accompanied on their tour by members of the Lions Club. People in the contest are requested to have their displays illuminated at that time.

Retired Millbrae Man Latest Traffic Victim

SAN MATEO, Dec. 26.—Dr. Gustav Rietzke, 82, retired Millbrae dentist, died at Community Hospital here yesterday from injuries received December 4 when he was allegedly struck by a machine driven by William Kemme of San Mateo.

Dr. Rietzke was the 66th victim of traffic accidents in San Mateo county this year.

SAN MATEO MAN HURT

George Paulsen, 25, of San Mateo incurred slight injuries, including a possible fractured jaw, when automobiles driven by Ethel Walker and Joseph Menisteri, both of San Mateo, collided on the Bayshore highway at the south entrance to the Bay Meadows track Tuesday.

Hillsborough Fliers Spend Yule in Para

The "Flying Talbots" of Hillsborough and San Francisco, Cal., spent Christmas day today in Para on their return flight to the United States, the United Press reported from Rio de Janeiro.

W. C. Talbot, his wife and their pilot arrived at Para yesterday from Fortaleza on their aerial tour which began in San Francisco several months ago and which took them across a stretch of the Andes never before crossed by plane.

TREE PLAN DEvised

BURLINGAME, Dec. 24.—Property owners on El Camino Real in the bloc north of Palm Drive, where it was planned to cut down 15 eucalyptus trees, will be asked by the city council to approve a plan outlined Saturday afternoon to save

the trees. By the council's plan, a three-foot setback of the property line will be made. This will allow a lowering of the sidewalk, yet leave enough ground to support the trees, it is believed. It will also allow for easier approaches for the driveways of the property owners, it is expected.

Bids for Postoffice In San Mateo Called

SAN MATEO, Dec. 26.—Bids for San Mateo's new postoffice building, to be located at Ellsworth street and Second avenue, will be opened in Washington February 8, it was learned here today by Postmaster J. H. Kelley.

Total cost of the building is expected to be about \$100,000. The ground on which the new edifice will be built was recently purchased for \$17,000.

Woodside Man Hurt In Car, Taxi Crash

Henry Battger of Woodside received slight injuries, including facial cuts, on Tuesday about 6:30 o'clock when the car he was driving and a taxi driven by William Hill, 724 Winslow street, Redwood City, collided at the corner of Broadway and Jefferson streets.

According to Police Officers W. H. Thorpe and J. A. Snider, who investigated, the accident happened when Battger made left turn at the intersection, colliding with the cab. Both machines were badly damaged. Hill was uninjured.

SAN MATEO BARBER DIES
SAN MATEO, Dec. 26.—Apparently the victim of a heart attack, Tom Alvina, 60, who has worked here as a barber for the past 10 years, was found dead in bed this morning at his home here.

Dan O'Leary Funeral Held Here Thursday

Funeral services for Dan O'Leary, Menlo Park man who was killed Christmas Eve when the light truck in which he was riding skidded off the grade on the La Honda road, was held from the Layne & Tinney Home here Thursday at 9 a. m. Mass was celebrated at the Church of the Nativity in Menlo Park at 9:30, with interment following in Holy Cross Cemetery there.

TWO WOMEN INJURED

SAN MATEO, Dec. 26.—Christmas mishaps brought injuries to two women here yesterday. Mrs. Emily DeMartinez, 32, of Daly City, suffered cuts on her hand when in some manner she ran it through a window. Mrs. J. Mosko, 24, of Petaluma cut her foot when she stepped on

TWO SAVED FROM DALY CITY BLAZE

Five Business Houses Damaged in \$10,000 Morning Fire

DALY CITY, Dec. 24.—Roy Hageman, proprietor of a five and ten-cent store, and Ivan Eade, butcher, were both saved from possible death yesterday morning when fire swept through five buildings in the business district here. Damage caused by the blaze, origin of which has not been determined, was estimated at \$10,000.

Hageman, whose store is at 6312 Mission street, was roused and helped from his rooms in the rear of his store. Eade was saved when officers broke down a door to reach him as he groped through smoke.

Members of Old Glory Post, Veterans of Foreign Wars, saved their colors from flames sweeping Masonic Hall, 6304 Mission street. Among the establishments damaged were McGraw's drug store and Sorrelli & Ruffo's grocery, 6300 Mission street.

Score of Entries In Tree Contest Are Received

More than a score of entries have been received in the Lions Club annual outdoor decorated Christmas Tree Contest, it was revealed today.

Judging of the trees will take place on Friday evening, December 28. The judges will be City Manager E. A. Rolison, former Mayor Daniel R. Stafford and Thomas W. Cutting, past president of the Redwood City Lions Club. George McQueen and Dr. A. J. Fromm are in charge of the event for the service club.

Webb Rules Banks Must Pay Interest

Just what a county treasurer is to do when banks refuse to take any more money for deposit is still not known here, although an answer from Attorney General U. S. Webb to a question of District Attorney Edmund Scott regarding the matter was received here today.

Anyhow, the answer is that worrying Treasurer Harry Jenkins, who is still depositing county money in banks and getting the 2 per cent interest required by law, Jenkins said today that with the first of the year so near, when funds become depleted rather rapidly, the problem was no longer of any moment.

Scott had asked Attorney General Webb what could be done in case the banks refused to take any more money.

Webb ruled that banks must pay the 2 per cent interest, and that was all that could be done.

He added, however, that there was strong possibility new laws would be passed by the coming legislative session altering the rule that is prohibiting banks from accepting money in some localities.

Fitzgerald Opens Restaurant Here

Harold J. Fitzgerald, former Redwood City policeman, this week announced the opening of the M & M restaurant and beverage store at 949 Main street, corner of Middlefield road.

Fitzgerald was for several years connected with Harry Pacific Portland Cement Company and for the past five years has been a member of the police department. He was seriously injured two years ago when he was shot through the abdomen while on duty.

In the new establishment Fitzgerald will feature merchants' lunch, sandwiches and beverages.

ESTATE LEFT TO WIDOW

The late Paul B. Duernier of Daly City, who died December 13, after being hit by an automobile, left all his property, valued at \$5280, to his widow, Marciel M. Duernier, according to a request for probate of will filed in superior court today.

Burlingame Reports Series of Burglaries

BURLINGAME, Dec. 24.—A quantity of jewelry, \$450 in cash and a toy chemical set were stolen here yesterday in a series of burglaries between 4 and 7 p. m.

From the house of W. J. Tanzey, 1265 Cortez avenue, the intruders got a ring and watch; from T. P. Vando's home at 1212 Drake avenue they secured 50 pennies, the toy set and a wrist watch; from Fred Stremme's house at 1316 Cabrillo avenue a quantity of jewelry was taken, while George McDonald, 1900 Broadway, lost \$1 in cash.

Entrance to all the homes, which are in the same part of town, was effected by prying open windows.

MENLO PARK

W. H. Weeden and his daughter, Isabelle Weeden Lindquist, will attend the inaugural ceremonies in Sacramento Tuesday, January 8. The governor is a friend of many years standing of Mr. Weeden and he is happy to be able to be among those present to wish him well on his new term.

Mr. George Chiossi was a visitor in Menlo Park on Christmas Day. Miss Meta Kugular spent the Christmas holidays with relatives in San Francisco. Her mother, Mrs. M. Coxon, has been in San Francisco for the past week.

The dance given by the recreation group in Blue Moon Dance Hall Thursday before Christmas was a big success. A tidy sum was realized and turned over to the Christmas cheer fund.

Thos. Kearney, popular young bachelor police officer, is enjoying a much earned rest after assisting Mr. Stork deliver an 8-pound baby girl to Mr. and Mrs. Joseph Garby, 671 Live Oak avenue. Officer Kearney was called in to assist in procuring an ambulance to take Mrs. Garby to the hospital, but Mr. Stork was in a hurry and "Dr. Kearney" jumped in to the emergency. After he helped deliver the bundle of joy he rushed the baby and mother to Community Hospital near Beresford where both are reported doing fine.

The annual Christmas party given by Mr. and Mrs. Leon Douglass and family for the children in the community was well attended and every one had a most enjoyable time. Santa Claus was there in person and distributed gifts to all the children.

Plans are being completed for the New Year's Eve dance to be given by the 40 and 8 Society of the San Mateo County American Legion at Legion Hall in Belmont. The local post and the auxiliary are assisting. The public is invited to attend. Good music, favors, eats, etc., to make for a happy evening are in store for those fortunate enough

to attend.

Isabelle Weeden Lindquist sang a group of songs at the Christmas party given by Belle Haven Post, American Legion, Thursday night.

The marriage of Miss Mary Alice Sullivan and Harry B. Morey, both members of pioneer Menlo Park families, will take place Sunday morning at 11 o'clock in the chapel at the University of Santa Clara. The Rev. Charles Murphy of Santa Clara will officiate and the Rev. James S. Lyons, S. J., president of the university, will celebrate the nuptial mass.

Miss Agnes Sullivan will be her sister's only attendant and Frank Morey will serve his brother as best man.

A reception at the home of the bride's parents, Mr. and Mrs. J. J. Sullivan, will follow the service at the chapel. The new home is to be established in Menlo Park, where Mr. Morey is postmaster-elect.

The bride-to-be is a graduate of Notre Dame and her fiancé of Santa Clara. The latter is a son of Mr. and Mrs. John W. Morey of Menlo Park.

Redwood City 30 Years Ago

A slight earthquake was felt Wednesday morning, shortly after 7 o'clock.

The Redwood City Athletic Club was organized with thirty-five members last Monday night.

Redwood City is putting on metropolitan airs. A garbage wagon was installed in the week end and makes the rounds of all the residences every morning, removing ashes, garbage, etc., for the small sum of 25c per month.

Hall Ross, son of Mr. and Mrs. Geo. C. Ross, was admitted to the practice of law by the supreme court Wednesday, after passing a rigid examination.

Borthold Werder came down from San Francisco this week to visit his father. While here he enjoyed a hunt on the marsh and brought back a fine bag of ducks.

SUMMONS
No. 23815

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

OTIS O. HINES, Plaintiff, vs. AMY D. HINES, Defendant.

The People of the State of California Sent Greetings to:

AMY D. HINES, Defendant.

You are hereby notified to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

OLD GOLD and SILVER SHOP AROUND

Go to any other dealer in San Mateo, Burlingame, or San Francisco—then bring your Old Gold and Silver to us.

THE JEWELRY you long ago discarded can be converted into a gratifying sum of money since the government advanced the price of pure gold from \$20.67 to \$35 an ounce. BUT—BE SURE TO GET THE MOST FOR YOUR OLD GOLD AND SILVER AS IT IS WORTH.

The discarded silver watch cases, chains, cuff links, dental gold (discarded bridges, crowns, etc.) and a score of other articles contain, when melted, a surprising amount of pure gold.

We paid \$19.97 for a lot of gold and silver for which another dealer paid \$10, but the smart little woman surmised that she didn't get full value and demanded the return of her articles.

Let's Listen in to this conversation

Here's what they are saying:

"It's no trouble to get a Federal Housing Loan for Gas Heating Equipment. We can have three years to pay and payments are only a few dollars a month."

"Let's get it done right away. I just can't keep this house warm with all my other things to do. It is something we should have done a long time ago."

These folks are absolutely right. And there are thousands of families doing the same thing.

It is important, too, to do it now. January and February just ahead are the coldest months of the year. And there is nothing that compares with Gas Heating for thorough, whole house warmth that can cope with any kind of weather.

Perhaps you have other home modernization plans. Painting, papering, general fixing up of your home anew again. Then by all means install gas heating equipment to help keep your home freshly bright and new looking for years to come. An immediate installation can be made, quickly and without bother or inconvenience to the regular routine of your home.

MEETING CALLEDCo-operation Is Sought
By County Leader
From Veterans

Urging that all members cooperate to make the Veterans of Foreign Wars a better organization, W. H. Augustus, member of the council of administration of the sixth district V.F.W., today sounded the call for a large turnout at the district rally to be held in San Jose January 6.

"Our department commander has given us the slogan, 'Move forward, soldier, you can't stand there,'" Augustus, who is chief deputy county clerk here, said in his notice to the veterans, "Are we each doing our part to assure him that we are not just 'standing there'? We, now, do not need to ask 'where do we go from here?' Certainly with our national and department program spread before us as a 'relief map' we should be able to follow right down the center of the road."

"It is a condition and not a theory which confronts us. Let us face that condition, not with a theory but with action, action that will speak volumes, not just mere words. As a 'battle unit' the sixth district has an enviable record. Will we as individuals stand by our guns as real soldiers, that our record may be a greater help toward a bigger and better V.F.W. that can and will command and hold not only the admiration and respect of our local communities, but also that of our state and nation, particularly those sitting in high places on Capitol Hill at Washington?"

"On January 6 we are to have our sixth district rally. It is hoped every post in the district will be represented by a large delegation. All are urged to submit for consideration, any problem or proposition that may be of interest to the district or our department," Augustus stated.

Congress Aid Asked
In Power Cut Fight

WASHINGTON, Dec. 27 (UP)—President Roosevelt plans to enlist the aid of congress in his campaign to reduce power rates, it was learned today from authoritative sources.

His message to congress next week, which he expects to deliver in person, probably will contain recommendations for a broad plan of national power development, it was said.

INCUMBENTS WIN
ATHERTON FAVORWalter Kellogg Urged
To Return Present
Office Holders

County Executive Walter Kellogg was urged in a letter today by the Atherton City Council to retain the present incumbents of San Mateo county who are serving in satisfactory manner.

The letter from the council, which expressed appreciation of the work of the various incumbents, was in effect an endorsement for their continuance in office.

The council in a meeting late yesterday afternoon added its endorsement to a resolution recently adopted by the San Mateo County Supervisors urging start at work on construction of the Ocean Shore Highway.

The council also heard the first reading of an ordinance regulating the quality and sale of milk in Atherton.

Ruling for Alameda
Not Applicable Here

A ruling of the state supreme court prohibiting an election in Alameda county to decide if a cities-county government was wanted by residents there will probably not affect the movement underway here for that form of government, District Attorney Edmund Scott said today.

In Alameda an initiative petition signed by 24,000 taxpayers called for the election. In this county the movement is being handled differently. Here it is planned to have proper legislation drafted so that the new form of government, if desired, will not be contrary to any charter or constitutional provision, according to Scott, while in Alameda the movement had been started without regard for existing laws.

'Christmas Cheer'
Brings Five Arrests

"Christmas cheer" accounted for only five arrests for intoxication in this vicinity, a checkup of records at the county jail here revealed today. Two Redwood City residents were jailed Christmas eve for allegedly inhibiting too much liquor, while on Christmas day Menlo Park contributed one "drunk" to the jail's population and Redwood City contributed two.

Scott Will Seek
Webb's Opinion
On Appointments

District Attorney Edmund Scott was asked by the supervisors today to secure an opinion from Attorney General U. S. Webb as to whether the old or new board is to ratify appointments made by Executive Walter T. Kellogg by January 7.

The opinion will also ask if the appointments should be made on January 7 or before.

Supervisor Albert Witt asked for the opinion because of delay and "confusion" over the appointments.

Complaints of the dental society and board of health on the appointment of Maj. Charles C. Gans was referred to Executive Kellogg.

Hoover Mail Sacks
Bulge With Greetings

PALO ALTO, Dec. 25 (AP)—From all parts of the world Christmas greetings arrived here today for former President and Mrs. Herbert Hoover in greater volume than last season.

Mail bags bulged with holiday messages for the Hoovers, Postmaster W. C. Werry said, with a smile. The Hoovers, however, were in Southern California for the day.

"Mr. and Mrs. Hoover seemed to receive a greater number of letters and Christmas cards than last year," said Werry.

The greetings came from all over the world and from isolated spots where the friends of Mr. Hoover knew him as a young mining engineer. There were greetings, too, from those who knew him during his war time relief work.

Mrs. Meyer's Rites
Held in San Mateo

SAN MATEO, Dec. 25.—Services were held in San Mateo yesterday for Mrs. Catherine Meyer, 84, pioneer woman who had lived in the community for 32 years.

Mrs. Meyer was the widow of the late Henry Meyer and was widely known in San Mateo. She is survived by three sons, Henry M., Albert E. and Frank Meyer, and two daughters, Mrs. Elizabeth Hillier and Mrs. C. Silva.

Pallbearers at the services were County Assessor Dan Flynn, Frank Roche, Chief of Police Thomas F. Burke, City Councilman Justin Fitzgerald, Probation Officer Francis Robinson, and Fire Chief Hugh Morris.

Following the rites at the George W. Snider Company chapel, a requiem mass was celebrated at the St. Matthew's Catholic Church. Interment was at St. John's Cemetery.

Woman Found Hurt
On Bayshore Highway

Found lying beside the Bayshore highway in Brisbane early Sunday morning, Mrs. William Rawles, 27, San Francisco Negro, was in the South San Francisco Hospital today suffering from a broken back.

How she incurred the injury she is unable to say, according to sheriff's officers who questioned her. All she remembers is that she was working temporarily in Tony's Hotel in South San Francisco. She was unable to explain how she got onto the highway, nor does she remember how she was injured, she told officers.

The Bavarian State Opera in Munich is to have a new revolving stage of two floors. The new stage can be raised or lowered 10 yards. While the performance is proceeding on one stage, settings for the next scene are to be prepared on the second floor, permitting an almost uninterrupted performance.

Three Children Die
When Oil Explodes

MISHAWAKA, Ind., Dec. 27 (IP)—Three children were burned to death today when a can of oil their father attempted to heat on the kitchen stove exploded.

The father, Harry Hammon, and his wife, were burned critically. The children who perished were Betty, 4; Esther, 2, and Mayne, six weeks old.

Police said that Hammon, a truck driver, drained the oil from the crank case of his truck and put the container on the kitchen stove to warm it. The oil exploded and sprayed the room.
